PROGRAM DESCRIPTION - Our music instruction goes beyond private lessons to develop the whole musician. The program has two parts: **1) the private lesson** and **2) the enhancement activities**. The private teacher gives direction as to the amount and type of participation in the enhancement activities which include student recitals (every seven weeks), master classes, community performances, guest artist presentations, musicianship classes, and sister-school exchanges. The value of the enhancement activities combined with the quality of our private instructors cannot be overstated and this is what makes us a first-rate conservatory. Students also receive free admission to most MCM events and a *Certificate of Achievement* at the end of the year. There are **35 weeks** in our full Academic Year beginning September 8, 2008 and ending June 6, 2009. **Students can register for and start the Private Lessons Program at any time during the year.**
